

**CANDIDATE FOR CITY COUNCIL MEMBER  
CITY OF HIGHLAND**

**NAME: JODY SCOTT**

**AGE: 71**

**OCCUPATION: Tax Consultant/Incumbent**

It has been my honor and pleasure to have served the citizens of Highland as a member of the first City Council from 1987 until 1998. Based on my continuing commitment to our community, and the belief that my experience, integrity and understanding of City issues were still needed, I returned to the council in 2004.

In the past I promised to be diligent in fighting to protect a desirable quality of life while providing services in the most cost-efficient manner. I kept those promises and will continue to do so. I will seek answers to probing and pertinent questions before making decisions on issues brought to the city council. I will continue to monitor and protest any activity that will negatively impact Highland's unique character, citizens, or future.

Citizens have the right to expect accountability and common sense at all levels of government. My door has always been open (and will continue to be) to discuss problems, concerns and recommendations.

I welcome the opportunity to continue to serve as your voice on our City Council and look forward to representing you the next four years.
